It is his design to make political Douglus everywhere disclaim the treasonable body and flavor from age, for its references to speeches in New York, Pennsylvania, New idea of subverting the confederacy when one the Maine election and the New York Union Jersey, Connecticut, and prohably Ohio. political party may succeed in defeating meeting on the 17th prove the spirit of proph-Now everybody can sco at once the whole another. Governor Letcher's inaugurul refers eey, and its apostrophe to Mr. Breckinridge is

HARTFORD, CONNECTICET,) Saturday, September 7, 1860. To the Editors of the Louisville Journal:

Lincoln, and thus prepare themselves to act the cy and Vice Presidency.

This is the whole meaning of Wm. L. Yanevy's Northern electioneering tour. He goes
to strengthen the hands of the Breckinridgo
factionists lest they falter and let their States
vote against Lincoln and Hamlin. He has
not half the taleut of Wm. H. Seward, but.

Lincoln, and thus prepare themselves to act the
patriotic part of endeavoring to dissolve the
Union! We think the difference in the relative positions of Donglas and Breckiuridge so
plain that it requires no further explanation.

We mean to carry Massachusetts. Of this I am
more than ever-convinced since the result in Vermont, which proves that the reserved force of
that hopeless State remained at those, vizit the
through the patriotic part of endeavoring to dissolve the
Union! We think the difference in the relative positions of Donglas and Breckiuridge so
plain that it requires no further explanation.

We mean to carry Massachusetts. Of this I am
more than ever-convinced since the result in Vermont, which proves that the reserved force of
that hopeless State remained at the cases that the or the cases have been drummed up in this steady land,
preliminary sll to a genoral shaking of hands,
and a pitch in, one and all, against the Abditionists. We intend to carry Connecticut, or its
tive positions of Donglas and Breckiuridge so
plain that it requires no further explanation.

> Nor is this strange. Nothing indeed rould Union shall live with Time, and expire of he more natural. We do not say that the po- when We do not expect much from Maine, for

be nothing. They are adapted like mortice and tenon, look and eye, button and buttonand tenon, hook and eye, button and buttonfinactiouary, just as they are everywhere else show and for sale, everywhere begging
the nothing. This is what the Montgomery (Ala.) Mail says about the relisal of Mr. Breckinridge to true friends who

WAITING-AT THE PARTY. (Written at ---)

BY SALLCE M. BRYAN. The lamp-flowers wreathe life walls below And drop their tremulous, gubban bloom On gene and smile—and I must go From this dim, lonesome room. It is not long-but ob, it seems, Since those bright girls went down the al.
I've crossed a thousand years of dreams, And landed everywhere. In tropic palms I've caught strange birds With summer painted on their plumes; I've feigned the south-winds music-words I've watched great mirage-buds break thro' Their sand-ivaces in red desert-uoous;

By pallid northern moons. Yet most I've seen a Illy-hand Of buried visions I should know Rice from that misty fairy-land Like great, whit Rowers and linger near: th, beautiful—oh pale, pale gue t! Who did invite you here? Juce more-I hear the music stark And-the deep tountning of my hearl

But -3 on are waiting at the door, With half a frown and half a rund, Thluking, no doubt, I've stayed before The mirror all this while, And, as your delicace fangers twinn Unrealful thre' your curls of brown, You lift your dark cold eyes to mine Yes-if you will. A funeral-chime.

You say, Is in my voice -'tla true.'
What have I thought of all this time.'

Ahe sire I have not thought of -you!

Thirty sears ago George the Fourth and lat had just departed this life, so little respected and so wholly unlamented that Loudous made as he oblishy when his gorgeous funcral took place, and pactically will be found to the moral took place, and pactically will be found to the moral of the moral took place, and pactically will be found to the moral took place, and pactically will be found to the moral took place, and pactically will be found to the moral took place, and pactically will be found to the moral took place, and pactically will be found to the moral took place to the moral took p

was relguing in Sweden and Norway, the only one of Napoleon's generals who retained a diadem; Nicholas of Russia was carefully studying that wonderful document, the Will of Peter the Great, with a view to obtaining a slice of Tarkey; our own Andrew Jackson was on the second year of his first Presidency, whetting his beak for a fatal pounce upon the United States Bank; and William Lot of the writed Fixedow of the Netherlands were and Farsons, First Licettenant Company A. The sub-obligers and rank and file numbering in independent in November, 1830. In the duly fol-lowing Prince Leopold, of Saxe Coubourg, was

The Prince of Orange, cldest son (and eventual A dispatch from New Orleans this morning ansmall cause for frieudship with Loopold. In 1815 THE LATE GALE AT THE SOUTH .- A corresthis Prince was selected by George IV., then Re- pendent on board the steamer Alabama, which Stewart & Barter, 545 Main street Charlotte, of Wales, his only child by ill-fated storm, we clip from the New Orleans Picnyane. Caroline of Brunswick, but-as ladies sometimes It is dated the 16th: will be-the Princess was self-willed, determined At noon yesterday, as the cars appro to choose a husband for herself, and selected Prince Leepold, whose worldly property, at the time Leepold, whose worldly property, at the left as soon as he got the mails on bound. time, was about \$1,500 u year. The Prince of Orango had to wear the willow. Leopold married along the line of the Railroad was washed up, so orango had to wear the willow. Leopold married the Princess Charlottee, receiving from England an annuity of £50,000, which has been paid to him ever since his wife's death, in 1817. Thus, the Prince of Orange was literally done out of a wife in 1815 and a kingdom in 1832 by Leopold of Cobourg. He ascended the throne of Holland in 1810, on his father's resignation of the crown, revised the constitution in 1818, died the following year, and never would meet Leopold.

His son, William 111, who took the constitution of oath at Antwerp in 1819, immediately after.

tional oath at Antwerp in 1849, immediately after his accession, is a young man who evidently does not inherit the hereditary hatreds of the family, has shown his good sense in establishing friendly must be a support of the family of the fa mas snown its good sense in establishing friendly relations with Leopold of Belgium, which will be strengthetted, no doubt, by their personal communication at Wiesbaden.

one of the schooner Gregon, capsized near Mississippi City. The crew were clinging to the wreck and were all brought safely on board the munication at Wiesbaden.

Leopold is the most fortunate of living Sovereigns. At one time he solicited a small stuff appointment from Napoleon, and its refusal was a heavy blow to him. A pauper prince, the heiress to the British Crown fancied, married, and cn
week null were all brought safely on board the Alabama. During the night we passed two other dismasted schooners; numes nuknown.

At daylight this morning we found purselves off (cean Springs, a whartless, desolate looking place enough; but now we are opposite Biloxi, and the scene before us heggars description—not only are the wharves all gone, but the houses un-

heavy blow to him. A pauper prince, the heiross to the British Crown fancied, married, and characteristic to the British Crown fancied, married, and characteristic to him and refused, hefore to a cepted that of Belgium. His second wife was eldest daughter of the King of the Freuch, then the Ulysses of ruling monarchs. His regal legitimacy has been fully recognized by the marriage of his eldest son to an Austrian Archduchess, and of his only daughter to the brother of the Emperor of Austria His sister who lately died esponents as the could give many incidents both amusing and patterns.
